CHANTILLY, VA - L-3 Communications Government Services Incorporated awarded a contract to BlackBox Partners to provide support in responding to a large RFP being issued by DFAS in Columbus, OH. BlackBox staff will draw from its vast experience creating and editing proposals for large federal projects in response to DFAS' RFP request for system operations in its midwest office. The value of this contract is approximately \$15,000.

BlackBox will be acting as a subcontractor to Advanced Systems, Incorporated, our partner on the VETS GWAC for the duration of this contract.
